

To be considered for exhibition, and to have your work included in the registry for future exhibitions, please submit the following:

1. A completed and signed Application for Exhibition.
2. Examples of the work which would be available for exhibition in the form of color photographs 3" x 5" or larger; or image files in jpg or pdf format (pdf preferred) on CD or DVD. All submissions should be clearly labeled with the artist's name. Please include a list with the following information: artist's name, image or file name on the CD/DVD, title of work, date of work, size (height before width), medium, and location of installation (if applicable). Photographs of artwork should be similarly labeled on the reverse, or numbered with an accompanying separate photograph list. 6. If your material is rejected upon initial review, it will be automatically returned.

Signed photo-offset lithographic prints will not be considered for exhibition.

The City's Artwork Selection Committee reserves the right to make all decisions concerning the installation of the exhibition and the placement of all works. The City's Artwork Selection Committee and/or the City Commission shall have final authority as to the selection, placement, duration, and number of works placed on exhibition.

### Location and Duration of Exhibitions

Locations available for display include Hollywood City Hall, Fred Lippman Multipurpose Center, and ArtsPark at Young Circle. The Artwork Selection Committee has the final decision on the location of each artists exhibition.
