Federal Flood insurance is available in the City of Hollywood, as the City does participate in the National Flood Insurance Program. Please note that if your Building/Mobile Home is in a Coastal Barrier Resources Area (CBRA), Federal Flood insurance may not be available.

The determination made shall be based on the Flood Insurance Rate Map (FIRM) for the City of Hollywood, Florida. Determinations do not imply that the referenced property will or will not be free from flooding or damage. Properties not in Special Flood Hazard Areas may be damaged by a flood greater than that predicted on the FIRM or from a local drainage condition not shown on the map. This determination will not create liability on the part of the city, or any officer or employee thereof, for any damage that results from reliance on this determination.
